Petersburg . . . The Alaska Department of Fish and Game announced today that the commercial golden (brown) king crab fishery in the Southern Area will close at 12:00 noon **Friday, May 11, 2012**.

Based on an analysis of effort levels and harvest projections, the harvest as of the closure date is expected to reach the 20,000-pound GHL for the Southern Area. The department will continue to monitor golden king crab harvest levels in the remaining four open areas.
